Greetings,

It is with heartfelt gratitude that we take this time to say **THANK YOU!** Having answered our call in a time of need speaks volumes of your love for your fellow man. As bad as it was in the loss of our three historical churches where memories were formed and lives were built, it gives us greater joy to know that much fonder memories are now formed through that of your outpouring love, generous gifts and prayers.

We are reminded of the Apostle Paul who had his financial needs met by the Church at Philippi, and because of that he rejoiced greatly (Philippians 4-10). We also **REJOICE** as did Paul and pray that God will restore you four-fold.

Therefore my beloved fellow Christians and Americans, we are encouraged knowing that good always overcomes evil.

Blessings,
